

Just like that ... the school year has started. September has flown by, and we are all getting ready for cooler weather, shorter days, and fun times ahead in Academy. In October, you can expect a number of things from us, like our all-school Back-to-School event, STEM club at lunch time, and our first round of parent conferences. We eagerly anticipate another wonderful year and are glad you're on the Academy journey with us!

CENTER STAGE

MEET SAM IN MEMPHIS!

This is Sam's 2nd year in Academy, and we are so amazed by him each day. One of his favorite topics of the school year so far has been working on the scientific method. He enjoys sharing what he is learning and was so proud to tell staff all the steps he has learned. Once he learned that he had a science kit to support his learning, he burst into the office manager's office asking for it. When she checked back with him a few minutes later, he was running around with his goggles on, saying, "Ms. Julia, I am doing the scientific method like I told you yesterday, and I have goggles!" The goggles stayed on for the remainder of session and for a good part of the next hour. What a joy to see Sam's confidence and love of learning soar!

MAGIC OF LEARNING

THIS IS WHY

SHINE ON CAST

ERIC CATES

SACRAMENTO, HS GRADE BAND

LISA HARNESS

ST. LOUIS, 6-8TH GRADE

AARON MCKOWN

BIRMINGHAM, AL, 3-5TH GRADE

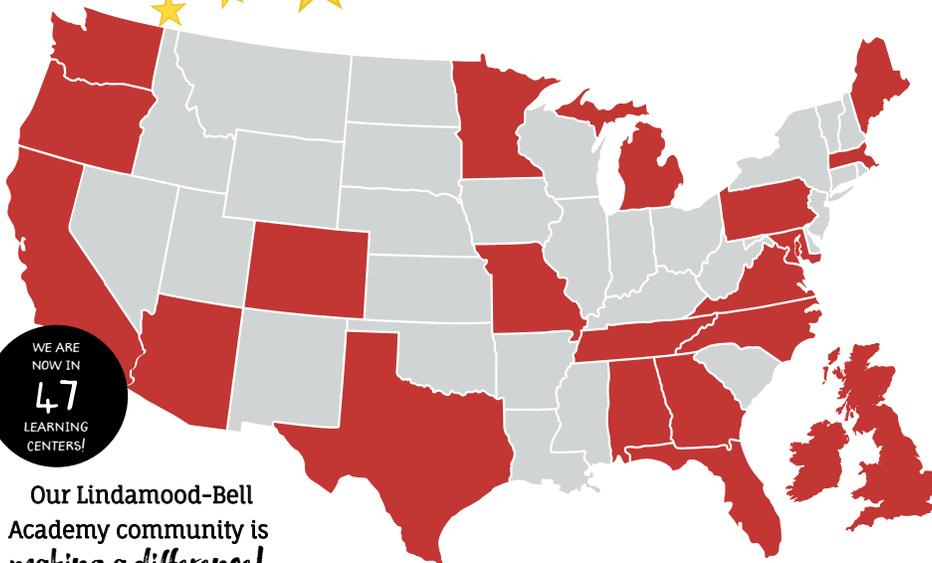

JENNA BAUTISTA

ST. LOUIS, K-2ND GRADE

Meet our fantastic curriculum advisors (CAs)! They have been enrolling our Academy kiddos in their courses and starting to monitor their progress with curriculum. Through the upcoming year, our curriculum advisors will be meeting every student in their grade band, observing them as they work, and offering tips and support to maximize every student's curriculum experience and help them find success in school.

LINDAMOOD-BELL ACADEMY COMMUNITY

Our Lindamood-Bell Academy community is *making a difference!*

LINDAMOOD-BELL ACADEMY

NOW HAS

162 STUDENTS

IN

47 LEARNING CENTERS

ACROSS

2 COUNTRIES

SPANNING

THE ATLANTIC OCEAN

GOOD TO KNOW

Once students begin their curriculum courses, we encourage parents/guardians to log in to the Connexus Education Management System (CxEMS) to follow what their student is doing in his/her classes. Please reach out to your local learning center team to get a username and password unique to you.

We will be hosting the first round of parent/team conferences the week of October 22nd. The conferences will be 20-minute appointments to meet, either in person or virtually, to review your student's progress and performance in their courses. Your local learning center will be assisting with scheduling. Stay tuned!
