

Academy Magic Newsletter

As we enter this season of joy and wonder, let's take a moment to reflect on the joys of the school year so far. I have the privilege to see and hear about the magic that our students are experiencing on a daily basis.

From the completion of special projects, to making new friends, the first test ever passed, or the first A ever earned, our Academy students are thriving!

No matter how your family celebrates this holiday season, we hope that it is filled with joy, magic, and precious memories.
