

# Academy Magic Newsletter

*It is hard to believe* that this is the last edition of the Academy Magic Newsletter for the 19/20 school year. I'm beyond proud of ALL our students, staff, and parents. Everyone has come together as a school community to support our students.

We are looking forward to celebrating at our virtual End of Year Celebration and Graduation at the end of May. Thank you for spending your year with us at the Academy.

## Center Stage

*The magic doesn't stop* just because we aren't face-to-face! Grace P. in Birmingham, MI brought the FUN to her sessions on Wacky Wednesday this month.

## Tampa:

Our staff across the globe has done an outstanding job of not missing a beat when it comes to bringing the same service our families expect—even online! We were pleased to receive this note from a parent about our Tampa staff:

*"You and your team are doing a great job of maintaining the sense of community not just for the kids and the staff, but also for the parents! I know it would be very easy to let the collaboration with parents slip, in a time like this, but all of you have just done a phenomenal job with the transition. I'm very pleased with the fact that H's education and love of learning haven't skipped a beat and I think that's a direct reflection of your team's dedication to their work, the students, and one another. You should all be very proud in knowing that you are the cream of the crop and it shows very clearly in times like these!"*

## Sacramento:

A note from Janice Lampa, Center Director:

*"At the beginning of the month, our students decided that the Reading Round-Up would be a competition against the teachers and if they won, the teachers would get pied in the face! Well, our awesome students put their minds to it and killed the competition with a final score of 288 reading activities completed! Working from home didn't stop our creative staff from coming up with a solution to celebrate our students.*

*Two of our consultants, Zach and Kevin, are roommates so to the delight of our students, parents, and staff, we all got to watch Zach and Kevin pie each other in the face over Zoom!"*
