- No professional development required for classroom teachers

Reading Gains for Targeted Students in a Large Urban District

Pre- and Posttest Percentiles

14 students after 104 hours of Seeing Stars Instruction

*Statistically significant ($p \leq .05$)

“

We developed this incredible partnership of instruction. To see the *growth* of our students and our teachers who came through this program has been professionally one of the most rewarding things I've ever done.

”

-Amanda, Program Manager for Specialized Instruction

Take the first step toward bringing
a Learning Center on Campus to *your school*.
