INTRODUCTION

Sensory-Cognitive Workshop + Review Course

"Lindamood-Bell...empowers all staff to identify and instruct all students. It encompasses an inclusionary model for students with disabilities and those that struggle with reading."

~ Deredee, Special Education Consultant

- Designed with dynamic live and self-paced
- courses, each level will enhance your knowledge
- of process-based, sensory-cognitive instruction
- to help meet the needs of all students!

*A one-year membership to the Imagery-Language Connection is included in all levels for **Seeing Stars**[®], **Visualizing and Verbalizing**[®], and **LiPS**[®] programs only. Access is provided via email within ten days of completing a Level 1 Workshop.

Contact Support.ForSchools@LindamoodBell.com with questions.

LEVEL 1

Sensory-cognitive Workshop

- Learn to develop the underlying processes necessary for a student to learn reading, spelling, comprehension, and math.
- See program steps modeled and practiced.
- Access yearlong the **Review** self-paced course.*
