

## U.S. Standard Packages

### Preparatory Instruction

- A period of preparatory instruction may be recommended based on the student's learning profile.
- Billed at the local Learning Center's instructional rate.
- Savings are available, based on the number of sessions scheduled.

### Academy Enrollment Packages

#### **Single Subject:**

- 2 instructional hours/day
- Up to 10 weeks (or ~100 hours) of included sensory-cognitive instruction
- Single subject focused: Choose Math or ELA

#### **Partial Day:**

- 4 instructional hours/day
- Up to 10 weeks (~200 hours) of included sensory-cognitive instruction
- Focus on 4-core subjects: ELA, Math, Science, & Social Studies

#### **Full Day:**

- 6 instructional hours/day + lunch hour
- Up to 7 weeks (~200 hours) of included sensory-cognitive instruction
- Focus on 4-core subjects: ELA, Math, Science, & Social Studies and opportunities for electives and/or study hall.

### Enrollment Details

- Package placement is by approval only.
  - Included sensory-cognitive instruction is completed prior to the start of curriculum.
  - All instruction is provided 1-to-1 by a team of instructors.
  - For students who enroll after the school year begins, the amount of included sensory-cognitive instruction will be prorated based on the enrollment date.
  - No refunds or make-up days are available for absences due to holidays, inclement weather, or illness.
- 

# The LBA Way

## The Team

We, the staff and students of Lindamood-Bell Academy, are a team.

1. We **care** about each other.
2. We work **together** to help us all learn and grow.
3. We **listen** to each other.
4. We **value** each other.
5. We treat each other with **respect**.
6. We **recognize** each other for hard work and accomplishments.

## The Students

We, the students of Lindamood-Bell Academy, are special.

1. We try to work **independently**.
2. We are **responsible** for doing our classwork and homework.
3. We treat our materials and computers with **care**.
4. **We believe in ourselves and each other.**

## Lightning Leaders:

The LBA Way guides us how to be **Lightning Leaders!** A Lightning Leader is a student who shows the values of care and community throughout the school year. Students who show care for themselves and those around them help create a school that is fun, safe, and supportive. Lightning Leaders are nominated by their teachers and are recognized in our rallies throughout the school year, showing that Academy students are **“powered by Lightning!”**

## Fit2Learn:

Exercise and academic success can go hand in hand. With that in mind, and in collaboration with movement expert Dr. Ronda Beaman, we started Fit2Learn. Our goal is to provide high-quality fitness classes during the lunch hour that are fun and reinforce learning. Exercise can strengthen a child’s muscles and bones and reduce the chances of adverse health conditions.

**BEE HAPPY...BEE STRONG...BEE YOU!**
